Let's Talk | Human Flourishing

Malcolm Duncan

START TALKING - Find conversations starters for the group or with a friend.

What do you believe Jesus means in John 10:10 when He said that He came so that you may have life and have life to the full?

KEEP READING - Read the Scripture and ask a question to get the group thinking. Genesis 1:24 - 28; Ps 139:13 - 28

On Sunday Malcolm Duncan helpfully explored Human Flourshing and that God intended all people to flourish in their humanity.

- What stands out from what you've read from the two scriptures above?
- What does Human Flourishing mean to you?

KEEP TALKING - Choose questions to create openness.

In his sermon Malcolm encouraged us that we have a better story to tell and our story is:

- 1. Healthy Story (We are deigned well)
- 2. Holistic Story (We are beautiful but broken)
- 3. Helpful Story (We were made to flourish)
- 4. Hopeful Story (A better today and a better tomorrow, because the story we are living in right now is not working)

- What stood out to you from what Malcolm shared on Sunday?
- Looking at the four ways we can tell a better story, what do you think this means for you moving forward?
- When it comes sexuality we often focus on Homosexuality but God is interested in all sexuality including your own sexual brokenness. Do you think you have focussed on a particular area of sexuality and if so, how did Malcolm help you understand that?

KEEP MOVING/GOING -Commit to a step and live it out this week.

- Love the person in front of you.
- Start where you can let your relationship determine your words and actions.
- Invite people into a better conversation-

KEEP PRAYING

Spend some time praying together for another in response to what you have heard and shared. Ask the Holy Spirit to give you wisdom in your ongoing conversations and deliberations when it comes to Human Sexuality and Gender. Make a commitment to love those God has placed among you but will also bring into your sphere of influence.
